

FleetSafe Solutions FMCSA Compliance Workshop October 7-8, 2025

Overview: FleetSafe Solutions is thrilled to announce our FMCSA Compliance Workshop this fall, aimed at keeping our clients and the transportation sector informed about the latest FMCSA regulations.

 **What to Anticipate:** This interactive educational event provides direct access to our knowledgeable FleetSafe Solutions Compliance Team, including:

- Kim Claytor, Compliance Director
- Val Conner, FMCSA Compliance Specialist and CVSA Certified Haz/Mat Trainer
- Rick Fore, FMCSA Compliance Specialist

Both Val and Rick possess extensive experience from their roles as FMCSA Auditors and Virginia State Troopers in the Motor Carrier Unit, contributing a total of 91 years of expertise in FMCSA Compliance.

Participants will receive essential compliance materials, including policies, templates, documents, and forms. Additionally, our team will be available after the workshop for one-on-one consultations.

➔ Reasons to Participate

This workshop offers invaluable insights, thorough presentations, and customized guidance tailored to your operations—an outstanding chance to connect with industry experts and get answers to your compliance inquiries.

➔ Venue

Wyndham Garden

415 South Swing Road, Greensboro, NC

**Special rate for workshop attendees
\$109.00 per night. To book, [Click Here](#),
or call **336.299.7650**. Ask for the block
rate.**

We look forward to an engaging workshop that empowers attendees with the knowledge and tools to navigate FMCSA regulations. Enhance your compliance strategy, network with professionals, and learn from experts. Whether you're new or updating your knowledge, our workshop is valuable for all. Don't miss this chance to elevate your understanding and ensure your operations meet the latest standards. We hope to see you there!

Cost: \$475.00 per attendee
