

As part of our ongoing commitment to keeping clients and the transportation community informed and up to date, Fleet Safe Solutions is pleased to announce a series of FMCSA Compliance Webinars. These sessions are designed to provide timely and practical regulatory insights. Each webinar will be approximately one hour in length, with a registration fee of \$59.00 per attendee.

The Fleet Safe Solutions Compliance Team, led by Compliance Director Kim Claytor, includes esteemed FMCSA Compliance Specialists Val Conner and Rick Fore. Both Mr. Conner and Mr. Fore bring a wealth of experience to our clients, having served as retired FMCSA Auditors and Virginia State Troopers with the Motor Carrier Unit. Their distinguished backgrounds contribute unmatched regulatory expertise and real-world knowledge to our programs.

Together, our team offers more than 90 years of combined experience in transportation safety and compliance. In addition, Mr. Conner is a CVSA-Certified Hazardous Materials (HazMat) Trainer, available to assist clients with HazMat training programs and compliance requirements.

Register today by clicking the link below or by visiting our website.
