OFFER:**

FMCSA DRUG & ALCOHOL REQUIREMENTS WEBINAR

**Understanding FMCSA Testing Requirements, Including
a Detailed Overview of the FMCSA Clearinghouse**

Many employers overlook the complexities of FMCSA Drug and Alcohol Program requirements, risking audits, fines, and safety rating issues due to non-compliance. This presentation will outline essential components for compliant testing, covering employer responsibilities, common violations, supervisor training, and best practices to manage the program effectively, reducing risk and ensuring driver protection and compliance.
