

Virginia Loggers Association

2026 Annual Conference

Rooted in Tradition, Growing the Future

Sponsorship Opportunities

As we gather for the Virginia Loggers Association 2026 Annual Conference, we honor the enduring legacy of loggers who even before the first seeds of American independence were sown, played a pivotal role in shaping our nation. Their efforts provided the essential resources to build homes, businesses, and government institutions, laying the foundation for what would become America's first center of democracy. As time progressed, loggers continued to expand their impact across Virginia, contributing to the growth and prosperity of new communities.

This year, as America celebrates its 250th birthday—a milestone that reminds us of our shared history and the spirit of progress—we also proudly recognize the Virginia Loggers Association's 24 years of dedicated service. Our conference is not only a return to our roots, but a commitment to building upon our heritage for an even greater future. Together, we embrace tradition and innovation, ensuring that our industry remains a vital force in Virginia's ongoing story and building a greater future for generations to come.

We invite you to join us as a valued sponsor of the Virginia Loggers Association 2026 Annual Conference. By supporting this event, your company will play a pivotal role in advancing the legacy and future of Virginia's logging industry.

Our sponsorship packages are thoughtfully designed to recognize and elevate your brand throughout the conference. Whether you choose to sponsor a specific event or become an overall conference sponsor, your company will be prominently featured and celebrated at every stage of the meeting. This is a unique opportunity to connect with industry leaders, demonstrate your commitment to progress and tradition, and showcase your organization's contributions to the community.

Together we can build a greater future for Virginia's logging industry. We look forward to partnering with you and making this milestone event a resounding success.
